Mountain West Financial, Inc. Wins National Award and Two Regional Awards *National Mortgage Professional Magazine's Top Mortgage Employer*

Mountain West Financial, Inc. proudly announces their nomination as a Top Mortgage Employer on the inaugural list by *National Mortgage Professional Magazine*. This list came as a result of a poll from readers on the following criteria: compensation, corporate culture, training resources, speed, long-term strategy, industry participation, marketing support, day-to-day management, innovation, technology and internal communication. Based off those criteria, National Mortgage Professional weighed factors that are more important (factors such as corporate culture was considerably more important than speed of the company). Mountain West Financial ranked on three of the top lists including: America's Top 60 Mortgage Employers Nationwide, one of the top 20 mortgage employers in the Northwest United States, and one of the top 20 mortgage employers in the Southwest United States. "It's a great honor to be recognized by *National Mortgage Professional Magazine*.
