Russ Warner
Regional VP of Business Development

Mountain West Financial announced today that Russ Warner has accepted the position of Regional VP of Business Development. Russ brings over 20 years of wholesale and retail mortgage banking experience. “My passion is to help recruit, train and retain loan officers across the country. I believe there are 3 things important to finding the RIGHT company; Leadership, Culture, and Opportunity. I believe having the right leadership that understands the boots on the ground, helps a company stay focused on making a loan officer-centric company. Culture comes with making sure you have the right people on the team. I believe there are two different types of people in this world, Us em’s and Them em’s. Them em’s are all about themselves, and Us
